Important Information About The National Flood Insurance Program (NFIP)

Federal law requires insurance companies that participate in the NFIP to provide you with the enclosed Summary of Coverage. It's important to understand that the Summary of Coverage only provides a general overview of the coverage afforded under your policy. You will need to review your flood insurance policy, Declarations Page, and any applicable endorsements for a complete description of your coverage. The enclosed Declarations Page indicates the coverage you purchased, your policy limits and amount of your deductible.

You will soon receive additional information about the National Flood Insurance Program from FEMA. This information will include a Claims Handbook, a history of flood losses that have occurred on your property as contained in FEMA's data base, and an acknowledgement letter.

CLAIM GUIDELINES IN CASE OF A FLOOD

For the protection of you and your family, the following claim guidelines are provided by the National Flood Insurance Program (NFIP). If you are ever in doubt as to what action is needed, consult your insurance representative or call the NFIP toll-free at 1-800-638-6620. If you are Deaf/hard of hearing or have a speech disability and use relay services, call 711 from your TTY or use VRS to call 1-800-638-6620.

- Notify Selective Insurance or your insurance representative as soon as possible after the flood.
- If you have not been contacted by an adjuster within 24 - 48 hours after you reported the claim to your insurance representative please call Selective Insurance at (877) 348-0552.
- As soon as possible, separate damaged property from undamaged property so that damage can be inspected and evaluated.
- Discuss with the claims adjuster any need you may have for an advance or partial payment for your loss.
- To help the claims adjuster, try to take photographs of the outside of the premises showing the flooding and the damage and photographs of the inside of the premises showing the height of the water and the damaged property.
- Place all account books, financial records, receipts, and other loss verification material in a safe place for examination and evaluation by the claims adjuster.
- Work cooperatively and promptly with the claims adjuster to determine and document all claim items.
- Make sure that the claims adjuster fully explains, and that you fully understand, all allowances and procedures for processing claim payments on the basis of your proof of loss. This policy requires you to send us detailed proof of loss within 60 days after the loss.
- Coverage problems and claim allowance restrictions will be communicated directly from Selective Insurance or the NFIP. Claims adjusters are not authorized to approve or deny claims; their job is to report to the Selective Insurance or the NFIP on the elements of flood cause and damage.
- At our option, we may accept an adjuster's report of the loss instead of your proof of loss. The adjuster's report will include information about your loss and the damages to your insured property. You must sign the adjuster's report. At our option, we may require you to swear to the report.

NOTICE OF INFORMATION PRACTICES (LONG FORM)

MISC-798 06 01

Your application or information you provide in connection with a claim is our major source of information. However, in order to evaluate your application for insurance, to service your policy or to process a claim, we may ask for additional information about you and any person who will be insured under this policy or who is the subject of the claim. This is sometimes necessary to make certain that the statements on your application are accurate or to process the claim. We may also need more details than you have already given us.

INFORMATION WE COLLECT

In connection with an application, the information that we may collect will enable us to make possible judgments about your character, habits, hobbies, finances, occupation, general reputation, health or other personal characteristics. In connection with a claim, the information we may collect will enable us to process the claim.

We may obtain this information from several sources. For example, we may contact any physician, clinic or hospital where any persons to be insured or making a claim have been treated. We may need information from your employer. But, before we ask for information from any of these sources, we will ask you to sign an authorization, which gives us permission to proceed, unless authorization is not required by law. We may get information by talking or writing to other insurance companies to which you applied for a policy or with which you have made a claim, members of your family, neighbors, friends, your insurance agent and others who know you. We may also obtain information from motor vehicle reports, court records, or photographs of the property you want insured or with regard to which you have made a claim.

CONSUMER REPORTS

It is common for an insurance company to order a report from an independent organization — a consumer reporting agency or an insurance-support organization — to verify and add to the information that you have given us. These reports are used to help us decide if you qualify for the insurance for which you have applied or to evaluate the claim you have made.

They may:

- _____ pertain to your mode of living, character, general reputation and personal characteristics such as health, job and finances.
- _____ contain information on your marital status, driving records, etc.
- _____ include information on the loss history of your property.
- _____ include information gathered by talking or writing to you or members of your family, neighbors, friends, your insurance agent and others who know you.
- _____ include information from motor vehicle reports, court records or photographs of your property and/or the property involved in the claim.

Upon your request, the consumer reporting agency or insurance-support organization will attempt to interview you in connection with any report it prepares. The information may be kept by the reporting organization and may later be given to others who use its services. It will be given only to the extent permitted by the Federal Fair Credit Reporting Act and your local state law, if any. Upon request and identification, the consumer reporting agency or insurance-support organization will provide you with a copy of the report.

DISCLOSURE OF INFORMATION

Information we collect about you will not be given to anyone without your consent, except when necessary to conduct our business. There are some disclosures which may be made without your prior authorization. These include:

- _____ Persons or organizations who need the information to perform a professional, business or insurance function for us, such as businesses that assist us with data processing or marketing.
- _____ Other insurance companies, agents, or consumer reporting agencies as it may be needed in connection with any application, policy or claim involving you.
- _____ Adjusters, appraisers, investigators and attorneys who need the information to investigate or settle a claim involving you.
- _____ An insurance-support organization which is established to collect information for the purpose of detecting and preventing insurance crimes or fraudulent claims.
- _____ A medical professional or institution to verify your insurance coverage or inform you of a medical condition of which you may not be aware.
- _____ Persons or organizations that conduct scientific research, including actuarial or underwriting studies.
- _____ Persons or organizations that will use the information for sales purposes, unless you indicate in writing to us that you do not want the information disclosed for this purpose.
- _____ Our affiliated companies for auditing our operations and for marketing an insurance product or service.

In addition, we may provide information to state insurance departments in connection with their regulatory authority and to other governmental or law enforcement authorities to protect our legal interests or in cases of suspected fraud or illegal activities.

YOUR INSURANCE POLICY FILES

Information we collect about you will be kept in our policy files. We may refer to this information if you file a claim for benefits under any policy you have with us or if you apply to us for a new policy. You have the right to know what kind of information we keep in our files about you, to have access to the information, and to receive a copy. There are some types of information; however, to which we are not required to give you access. This type of information is generally collected when we evaluate a claim or when the possibility of a lawsuit exists.

If you want information from your files, please contact us. There may be a nominal charge for copies of records. If you think your file contains incorrect information, notify us indicating what you believe is incorrect and your reasons. We will reinvestigate the matter and either correct our records or place a statement from you in our files explaining why you believe the information is incorrect.
